Christophe Georges, President and C.O.O of Bentley Motors Inc., presented the magnificent flagship automobile and answered questions from the media and the public. Bentley Montreal was also proud to welcome Olympic gold medalist, **Alexandre Bilodeau**, for this special occasion.

The evening raised funds in support of the *Quebec Cerebral Palsy Association*, a cause dear to Mr. Bilodeau and his family, collecting more than \$18,000 through fun raffles and an auction.

To top the event, the countess of burlesque, **Scarlett James**, offered a divine performance in her giant champagne glass and **La Queue de Cheval** delighted guests with its sumptuous catering service.
